Dear Orthopedic Association of Northern California:

On behalf of the Community Action Agency of Butte County, Inc. (CAABCI), I would like to thank you for your generous donation of 195 pounds of food received in December, 2022 to support the North State Food Bank Program. Your support helps us to fulfill our mission in "Helping People, Changing Lives".

Hunger insecurity has impacted the lives of thousands in our north state service area. The problem affects learning and development of children along with family stability. Your support will help us to help others to be on the road to a healthier life. This translates directly into improving our neighborhoods one family at a time. The need is great as is the need to do the most good with it. This is why a hallmark of community action has always been to build partnerships that will maximize the impact of our resources.

Our greatest joy comes in working with other groups and individuals who share in a common desire to build a better community in this place that we call home. Thank you for being such a wonderful community partner!

Sincerely,

Lee Wells  
Food Bank Coordinator

Donee acknowledges that no goods or services were exchanged for any part of this donation.
